THE LAST MAASAI WARRIORS: AN AUTOBIOGRAPHY

Me to We, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Wilson and Jackson are living testament to a vanishing way of life on the African savannah. They are two brave warriors of the Maasai, an intensely proud culture built on countless generations steeped in the mystique of tradition, legend and prophecy. They represent the final generation to literally fight for their way of life, coming of age by proving their bravery in the slaying of a lion. They are the last of the great warriors. Yet, as the first generation to fully embrace the modern ways and teachings of Western civilization, the two warriors have adapted--at times seamlessly, at times with unimaginable difficulty--in order to help their people. They strive to preserve a disappearing culture, protecting the sanctity of their elders while educating and providing for their young. Personifying change in this watershed moment in their history, the warriors uniquely embody what it means to carry the weight of their forbearers while embracing the advancements of contemporary culture and technology. As emerging leaders in their community, their courageous struggle to achieve this balance unfolds exquisitely in their story. The lessons they learn as students at Free The Children schools, their inner turmoil and the choices they must make have a global resonance. And for Wilson and Jackson, the very existence of their people hinges on their success. It has become their greatest battle.
