Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Hardback. Book Condition: New. Not Signed; Can you imagine living and working under the sea? It's the reality for some scientists, who inhabit laboratories deep at the bottom of the ocean. Research on the Edge - Ocean Lab is a gripping look at the daily lives of these scientists, and the vital research they carry out in extreme conditions. Discover the difficulties of setting up an ocean lab and the challenges of supplying equipment and necessities to the workers. Children can read about the conditions scientists live in, from how they breathe to what they eat, and some of the dangerous animals and plants they must avoid. Explore how research conducted under the sea can help with conservation, increase our understanding of climate change, and expand our knowledge of marine life, biodiversity and habitats. It can reveal untapped resources, and unknown eco-systems. Learn about the incredible technology that enables the scientists to live and work in dangerous conditions and the transport they use to travel around the ocean floor. See how they attempt to live with as little impact on their environment as possible. Discover how scientists manage their data, and publish it in journals around the world, and see how their findings can affect the way we do things in our everyday lives. Find out about the international science community -- where and why cutting-edge research is carried out, how it is paid for, and who owns the results. 'Danger' panels highlight some of the perils scientists face, while 'Cutting edge' panels detail the latest technology. Research on the Edge - Ocean Lab is ideal for children age 9+, for geography and science projects, or simply as a great leisure read. The ocean is not the only place where scientists work in extreme conditions. Try reading about the Rainforest...
