Strebor Books International, LLC, United States, 2012. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. An erotic and romantic tale about how real love is measured by the size of your heart and not the size of your hips. Noreen Klein is an empowered diva who is more than comfortable inside the smooth curves of her size 24 frame. She always gets what she wants--including hot men. Dahlia Ortega is extremely insecure about her thick body. Beautiful and docile, she recently ended an abusive marriage and now she has a raging thirst for dominance. Kat Davis once had a perfect body but now has to contend with the additional sixty pounds left over from a tumultuous pregnancy and a self-imposed emotional prison that prevents her from embracing the love she deserves. As these three voluptuous women endure the ups and downs of juicy romances, chaotic lives, and emotional challenges, they find support in one another. David Rivera Jr. s fresh, thoughtful, and endlessly provocative novel is a must-read for women of all sizes.
