Millie V Grindstaff, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As Micala looked back at the littered path her life had taken . the false starts, the dead ends, the loss of loved ones, the betrayals . they seemed to pale in comparison to the challenge facing her now. Many people do it with ease; for her it was a totally new concept . living a normal life. It certainly wouldn t come naturally for her . just how hard would it be . and could she succeed? What few successes she had in life to that point had been born out of an obsession to achieve something . anything that she could call her own. Her failures . now well documented and brought to the light of day by her psychiatrist . seemed to her to far outweigh any success. She had learned how to let them go . at least the weight of them. A blank slate . what would be written on it now? It was all at once liberating, intriguing, hopeful, exciting and terrifying.
