

English Traits and Representative Men (Classic Reprint)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

ENGLISH TRAITS AND REPRESENTATIVE MEN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from English Traits and Representative Men Emerson, who was born in New England, that is at Boston, in 1803, set foot in old England for the first time in 1833. The year before this English visit had been a dark and a sad one - the darkest, Dr. Emerson reminds us, in his life. He had lost his wife, a beautiful and spiritual woman, practically lost too his brother Edward, and given up after a struggle the religious career for which he had been trained. With this 1833 journey to the Old World, then, this apostle of the New began his second period and ended an intellectual probation. He realised himself and his American world and his home in New England the better for having seen the old country, and talked with Coleridge at Highgate, Wordsworth in the Lake Country, and Carlyle - above all Carlyle - on his Scottish moor at Craigenputtock. Landon he had already seen in Italy. On the eve of his return, writing at Liverpool, with the ship, as it were, before his eyes, he thanked God for having shown him these men, and thereby comforted and confirmed him in his convictions. The second visit to England was in 1847. He had been invited to lecture there, and it was during his stay that he repeated the course on Representative Men, already given at Boston. Thus the two books, here reprinted together, the result of these experiences, fall into a natural sequence, the earlier portions of the English Traits preceding and the later succeeding the course of lectures, if we count them in their due biographical order. In the interval that...
