Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the world of Ten Thousand Bullets vol: one chapter IV, The Tale of Darling Clementine. This is a fairytale for adults. It is a fable so epic that it can only be told across three volumes. The anachronic stories includes heroes and demons ranging from supernatural gunfighters to the Devil himself. It s a spaghetti-western telenovela with themes in the style of Quentin Tarantino. Set primarily in Pre-Revolutionary Mexico, the young revolution has come to a complete halt. Pancho Villa has disappeared, good news for some, until sightings and reports detail whole towns and pueblos destroyed and abandoned. One name emerges, this will come to be synonymous with death, fear, and destruction. Malocientos. Using his stolen powers from hell acquired through a broken deal with the Devil, he has raised an army comprised of vampires, evil Shaolin monks, brujas and plain wicked men. One of these brujas is the famous La Llorona of Mexican lore. Together with his band of miscreants, they terrorize the country as La Junta , the Gathering. However, as the old saying goes, With great power, come great enemies. Malocientos has pissed off plenty and they want satisfaction. These victims include telekinetic twins, Darling and Mandarin Clementine, an immortal known only as Kaine, a demon named Cucu seeking humanity, a Templar Knight named Maria, and lastly the Aztec goddess of death, La Santa Muerte! This is not your father s western. It is a tale of blood, power, and the three V s: violence, vindication, and reVenge! Thrown into the mix is a romance. After all, what s a fairytale without a little love? A unique story-telling structure begins this saga...
