HOW TO BELIEVE IN GOD: WHETHER YOU BELIEVE IN RELIGION OR NOT

Harmony, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise forHow to Believe in God "I learned a lot fromHow to Believe in God, which presents new and thought-provoking analyses of familiar scriptures." Jimmy Carter "How to Believe in God (Whether You Believe in Religion or Not)is a timely, beautifully crafted book. It's especially relevant for Western seekers on either side of the biblical divide. For practicing Christians and Jews, the book will bring a stunning freshness to their understanding of the Bible. For those who have overlooked (or even rejected) the gospel of the Old and New Testaments,How to Believe in Godwill open hearts and minds to the profound treasures found within the Bible's parables and lessons. And for those who have been trying to fill 'the God-shaped hole' with anything but religion, this book will be food for the soul without the dogmatic calories!" Elizabeth Lesser, author ofBroken Open: How Difficult Times Can Help Us GrowandThe Seeker's Guideand cofounder of the Omega Institute "InHow to Believe in God, Clark Strand turns humanity's perpetual collective conflict over which religious text is theright one into the very key to enter life's deepest mystery. It's like watching a puppet show, in which the characters (including Moses, Buddha, Jesus, Abraham, Muhammad, and Strand himself) seem so real, until it dawns on you that Someone has to be holding the strings. Whether that's true becomes a koan of biblical proportions that Strand's book memorably guides you to resolve for yourself." Alan Weisman, author ofThe World Without Us "You do not need to 'believe in God' to be able to experience God, and Clark Strand lets you know why in this courageous and honest book. This book could lay a new foundation for the reform of Christianity." Richard...
