## NARCOLEPTIC CHURCH: HOME OF THE SLUMBERING SAINTS

Tate Publishing & Enterprises. Paperback. Book Condition: New. Perfect Paperback. 152 pages. Dimensions: 8.1in. x 5.1in. x 0.4in. Narcoleptic: A person who has a condition characterized by sudden, uncontrollable brief attacks of deep sleep. A diabolical love affair has exploded within the modern church. Passion permeates the hearts of those whom this silent, seductive predator engulfs in lustful flames. To the world, it appears to be a victimless crime as proclaiming Christians are bewitched within this maze of deception. Gazing into the reservoir of their souls, you catch a glimpse of the invited terrorist slithering amidst their slumbering hearts. Me, myself, and I are the object of affection, as self-love fuels this satanic deception. With a modern twist to the biblical account of Jonah, The Narcoleptic Church parallels the narcissistic life of Jonah to the lives of contemporary slumbering saints. Author and Minister M. F. Massey leads you on a journey into the heart of God, compelling saints to open their eyes to a world primed with soul fields ready to harvest yet left to decay as fluttering eyelids drift off into dreamland. By taking the age-old ideology of faith without works being nothing, Massey encourages followers to reassess their commitment to the living God. Get out of your seat and take the gospel message to the streets. God is calling you to a life of service for him. The time is now not when. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Perfect Paperback.
