Brand New Book ***** Print on Demand *****.Excerpt from The Long Leaf Pine: With Prefatory Remarks, on the Political and Geological History of North Carolina and the Sandhills, Including a Summary of the Flora and Fauna The substance of what is herein printed is largely what was given as a talk on the Long Leaf Pine, April the 16th, in the City Park under the auspices of the Southern Pines Library Association. It is published for a threefold purpose: (1) to answer authoratatively all the questions that strangers ordinarily ask about the Sandhills; (2) to create a wider interest in the Sandhill region and to bring greater numbers to share in its warm, dry, bracing air and pine balm, something that belongs peculiarly to this section; (3) to quicken the public sentiment for that vast economic problem of the Costal Plain, namely, its reforestation in long leaf pine. In reference to this last point, let it be remembered that history teaches that those nations who destroyed their forests committed national suicide or became so reduced in numbers and so devoid of initiative as to...
