Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Anness Publishing. Board book. Book Condition: new. BRAND NEW, Pull the lever: Who does what?, Jane Wolfe, Tors Benham, This is an illustrated, interactive pull-the-lever board book for preschool kids. This first reading book is ideal for small children, thanks to its bright pictures of happy and helpful people playing hide-and-seek with the reader. Every page asks a simple question, such as who teaches us or who flies in a space rocket, and a special lever reveals the answer in a pop-up picture. This series also includes the titles Who Are You?, Who's on the Farm?, Who's in Here?, Who's Hiding?, Who Lives Here?, Who's at Nursery? and Who Says Moo? This engaging book, printed on thick board pages, is full of bright, bold illustrations and brings early learning concepts to toddlers and children under five. Pull the lever to discover who drives the tractor, who's at the top of the ladder, who makes bread, who can mend the car, who makes you better when you are ill, and who delivers letters to your door. Tiny hands will enjoy pulling the sturdy levers and discovering exactly who does what, while the friendly characters will delight your child as you read together. Youngsters will love seeing the images pop up in this fun question-and-answer board book.
