Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Let's face it you are here to learn about having a healthy lifestyle. You may have heard about the gluten free diet and you may know about some of its benefits. This book is all about the gluten free diet and if you are interested in having a healthy lifestyle and if you want to feel great then you should definitely read this book. Back in the day there was the diet, then following a decade or so there was the low carbohydrate and Atkins diet run and today we have the gluten free diet. Do you think it's really a coincidence that the gluten free diet started to go mainstream right after the Atkins diet? If you answered yes, you may wish to look-up the term Aesthetic Affinity . This controversial concept refers to marketing two different products that have the same ultimate purpose. The exact same technique was utilized in mid 90s in order to increase dietary intake and concern from dairy products and animal fats like butter and the fear that it might have an excessive amount of cholesterol have pushed people towards low fat diets. Elective affinity is a proven method for developing an industry and after that providing the necessary products for that industry there is no room to turn back. If you have gluten sensitivity concerns or if you may suffer from the Celiac disease, you need to be concerned and YES - you need to start eliminating gluten from your diet. Nevertheless - the 12 billion-dollar gluten-free industry is not where you find the solution. Research shows that people struggling with disease were as similarly...
