Brand New Book ***** Print on Demand *****.Here is what others are saying about The Incredible Life of the Sea Turtle! Sea turtles have an incredible life. Thank you for sharing this with my family! Our kids love nature books, and The Incredible Life of the Sea Turtle really made them think about how valuable life is. I felt like I was there during the entire epic battle for survival. Sea turtles are the true explorers of the sea. What an incredible journey! Coral reefs, ship wrecks and the lost city of Atlantis. Sea turtles see it all! Animal books for kids can be one of the best ways to teach children of all ages about the many creatures that call our planet home. In this fully illustrated book, five time best selling children s book author Mark Smith shows us how the sea turtle has to struggle to survive. Life is precious and this book illustrates this point perfectly. Things don t always come easy for sea turtles, but there is a happy ending. Parents and children get ready to live life through the eyes of one sea turtle. The incredible life starts in the warm cozy egg, and ends in adulthood when the full grown sea turtle crawls back to the very same beach where it was born to lay its own eggs. It all comes full circle in this heart warming book about the sea turtle and their incredible life s journey.
