It is particularly suitable for adult learners who have not studied for some time, offering strong story lines, with simple language, yet a high cultural content. It is equally suitable for students who want some knowledge of English for leisure or travel, but do not wish to go on to study the language intensively. The course presents essential grammar, vocabulary and pronunciation in a clear, practical form and provides constant recycling. The student's book contains a 32 page workbook, giving the flexibility to work in class or at home. The course is designed to take even the slowest learner from zero level to false beginner in 60 hours. 128 pp. Englisch.
