

Beecher Memorial Contemporaneous Tributes to the Memory of Henry Ward Beecher Volume 285,

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

BEECHER MEMORIAL CONTEMPORANEOUS TRIBUTES TO THE MEMORY OF HENRY WARD BEECHER VOLUME 285,

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. Original publisher: Carlisle, PA : Strategic Studies Institute, U. S. Army War College, 2005 OCLC Number: (OCoLC)61345788 Subject: Military planning -- United States. Excerpt: . . . and for temporarily increasing the size of the active duty military are primarily in the supplemental bills). The operations and maintenance increases reect the relentless upward pressure on accounts for health care, equipment maintenance, environmental cleanup, and the like, together with the Bush administrations decision to fully fund readiness accounts for training and equipment maintenance. The increases in acquisition funding are partly due to missile defense (5 billion a year higher than under Clinton), and partly to Rumsfelds transformation initiatives (again, about 5 billion annually). But they also reect the necessary decision to restore funding for hardware to historic norms after a procurement holiday in the 1990s. How much does the war on terror account for this increase in the defense budget Not very much, since, as noted, most of those costs (including those for protecting American airspace through Operation NOBLE EAGLE) are funded out of supplemental appropriations bills. The Pentagons funding for homeland security, for example, is only about 8 billion, made up of activities such as the support provided by some 25, 000 soldiers in the United States to protecting 16 the homeland. Similar activities overseas make the total for activities such as base security funded through the regular DoD budget about 17 10 billion annually. Roughly another 5 billion may have been devoted to expansions in the classied 40 billion annual intelligence budget (hidden within DoDs budget), some of which are clearly 18 tied to the war on terror. Similarly, the annual budget for special operations command...
