Excerpt: . . . 11 But it is largely the difficulty in setting a high scientific bar in a very difficult area. Most of the studies just really arent conclusive enough to feel confident that I could say to you, Yes, this is a great idea and you will save a lot of money. Senator L. Mm hmm. Well, I am not necessarily saying INCOLN that we have got to save all the money in that category, but if we can do something that actually does help us in terms of better use of our resources and providing better care, it seems to me it is a no brainer that it is something we should certainly be looking at. So you are saying that there is no conclusive studies that show that not only assessments but also the new medical physical in the Medicare program, are...
