Organic Lotion: Recipes for Beginners Scientifically Proven: Organic Lotion Recipes for Beginners About the Book: Organic Lotion Have you ever been filled with discontentment at the sheer sight of your own skin? If you answered yes to this question, then you are not alone. People all over the world must deal with a number of skin ailments, including dry skin, oily skin, aging skin, rashes and itching, and various skin conditions. What s worse is that many people have haphazardly invested their faith in synthetic lotions designed to suffocate the outer layer of skin. Luckily, there is a solution to this, and it entails creating your very own, homemade lotions. With homemade lotions, you can actually control the course of your own skincare regimen. First, as you delve into this book, you will learn about the critical importance of organic skin care as opposed to chemically based products. In the next chapter of this book, you will receive a brief review of essential skin care tips. Sometimes, owning the right product is not sufficient. If skin care is not executed properly, this can culminate in skin damage and irritation. The next section of the book will discuss the topic of lotion making tips so that you are adequately prepared for the lotion making process. Next, you will learn about the most popular lotion ingredients and essential oils, as well as their most important functions in the context of lotion. In the remaining chapters of the book, you will learn simple lotion making recipes for general skin care, youth and age prevention, as well as healing lotions for specific skin ailments.
