Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This is an informal introduction to a God of your own understanding. It explains my journey from the unknowable God to a knowable one. At least as much as any human being can know him. It s very basic and easy to understand. It is aimed at people in the anonymous fellowships but has its uses for people looking for an introduction to a God of your own understanding. As my own journey lead me to the Lord it does have a Christian end in which the regeneration process Christians of a born again disposition will be familiar with but this is a book is also aimed at a helping you get a better grip of the concept of a power greater than yourself. Again this is my own story of the journey I have had with him and against him at times but God willing for him in the future. I wish all readers of this book to have the kind of relationship I have had and am having with him, which is a living, working and dynamic one. It has tears, fears, mistakes, pain, laughter, love and all the things in between. He to his greatness, has never left me or changed and because of that I have a life beyond my willess dreams and to think that my best days are yet to come and so are yours.
