Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Focusing on the ACA, we are going to outline for you the key provisions of the law as well as what these reforms were intended to do. More importantly, we are going to provide very specific information on the law as it relates to organizations with less than 1,000 employees. You have very specific needs and concerns for both your organization and your employees; our 45+ year old human resources company has been providing HR advice and outsourcing services for over 1,000 employers and 12,000 employees in 44 states, and that is where our unique perspective can serve you. This book will not only offer insight into the issues facing you as an employer, but will also help you address the concerns your employees will likely have. We think we have a distinct set of experiences to help you and your employees through this ACA maze. Its a complicated law, but as we spell out the issues in a practical, "nuts and bolts" fashion and also give you links to additional resources, we think we can help you develop a solid game plan for your organization.
