Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

They become collateral damage and form a loving relationship as they struggle to survive under war conditions. You Need To Read This Book Because: You want to be entertained. You like exciting techno thriller action You like romance. You especially like war romance You like strong, believable male and female characters. Because your time is valuable and you don t like fluff - Novella is 31300 words Fast Paced Page Turner Review by Readingcamel --- Collateral Damage - Red Flag projects an all-too-possible future situation involving China s desire to reunite Taiwan as part of the PRC. The compelling story unfolds through shifts in points of view as different characters become the first person speaker. Because of excellent clarity of locations and times, this does not lead to any confusion on the reader s part, and makes for an enjoyable, fast-paced read. Review by Dangrdav --- Mr Greene has delivered another page turner. Now Mr. Green gives us a look at the world just a few years from now. The Chinese want their renegade province back and are willing to risk war with the United States. The US navy has been the best in the world for 70 years but now a new weapons system could change the balance of power.
