What is transformation? How are we transformed when we read biblical stories? Are all transformative aspects equally valid? What kind of relationships exists between self, neighbor, and God if transformation is involved in these three? Who or what is being changed, or who or what are we changing? With insights gained from phenomenological studies, political theology, and psychotheology, Kim proposes a new model for how to read the Bible transformatively, as he dares to read Hannah, Psalm 13, the Gospel of Mark, and Paul as stories of transformation. The author invites Christian readers, theological educators, and scholars to reexamine the idea of transformation and to engage biblical stories from the perspective of holistic human transformation. Endorsements: This book offers a rare contribution. Many...
