Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

LITERARY AGENT -- BEWARE

SIR JOHN PUBLISHING, United States, 2013. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.Just asking, but after sleeping with a literary agent, shouldn't you receive more than a form rejection letter? It might also have helped to know that this want-to-be writer is bipolar. However, she is not the one to be feared most by this agent. For her anger and zest in destroying his career has created a copycat, a serial killer with a new target--literary agents. When a serial killer stalks literary agents, and brutally kills them, the world of publishing panics with fear as the FBI hunts for the cold blooded killer, wondering what could cause a person to become such a monster? To someone else, the rejection letter might be perceived as a simple piece of correspondence. But when Amy, who suffers from bipolar disorder receives a form rejection letter from Edward, an agent she had an affair with at a recent convention, she takes the rejection as both personal and professional--in short--a declaration of war. Amy quickly embarks on a plan to get revenge by destroying Edward's literary agency, but Amy is soon not the one to be feared the most. Her actions create a copycat, a serial killer, who targets literary agents and viciously murders them. Living with the knowledge she has created a monster, a serial killer, is one thing, while doing nothing to stop the madness is another. But how could she track down a killer when she has no training in such? Thinking like a mad man might be the only way--but could she go there and survive herself? When the winds of fate, however, rekindle the romance with Edward, thus making him the next target--she really has...
