Barron s Educational Series, United States, 2007. Paperback. Book Condition: New. 234 x 203 mm. Language: English . Brand New Book. When a close friend or family member dies, it can be difficult for children to express their feelings. This book helps boys and girls understand that death is a natural complement to life, and that grief and a sense of loss are normal feelings for them to have following a loved one s death. Titles in this sensitively presented series explore the dynamics of various relationships experienced by children of preschool through early school age. Kids are encouraged to understand personal feelings and social problems as a first step in dealing with them. Written by psychotherapist and counselor Pat Thomas, these books promote positive interaction among children, parents, and teachers. The story lines are simple and direct--easily accessible to younger children. There are full-color illustrations on every page.
