Pixel Press & Photo LLC. Paperback. Book Condition: New. Paperback. 162 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Sometimes, my mind is a kaleidoscope. Somewhere, buried beneath a hundred different swirling colors, is the original image, but as the dial turns, the original meshes with colors and becomes something completely different. Like the letter in my hand. It reminds me of how my hand shook as I tried to read my own handwriting in front of a hundred people at Moms funeral, which swirls into the time Mom told me to date my thoughts like a book (so I could choose only the book I needed whenever it was hard to focus), which becomes the conversation I overheard when Dad decided Aunt Nadine would help look after me and my brother. And then the dial turns to the first time Aunt Nadine lost it. Jady's world twirls out of control after her mother dies in a car accident and her forgetful Great-Aunt Nadine moves in. Her dad is never home and her best friend doesn't even know half of it. Jady is trying to keep it all together for her little brother, Trenton. But when Aunt Nadine disappears with Trenton in the middle of a snowstorm, Jady's unusual way of thinking may be the only way to find them. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
